

Job Ready Program – Employment Verification Report (EVR) Metal Machinist (First Class) (332234)

The Trades Recognition Australia (TRA) Job Ready Program (JRP) is an employment-based skills assessment program for international student graduates with an Australian qualification.

You are receiving this form because you have an employee applying for, or currently participating in, the Job Ready Program. The information you provide in this form will allow us to confirm that the workplace and employment arrangements provide enough opportunity for the participant to develop the required skills in their nominated occupation.

Your role, as the employer, is to:

- give the participant appropriate trade level work under standard employment arrangements within a safe work environment
- nominate an employee skilled in the occupation to supervise the participant
- sign-off on the participant's progress report (usually six months after the start of the program)
- support the participant to develop and improve their skills and understanding of Australian Standards and Legislation, language, and terminology as it is used in the workplace
- help the participant to demonstrate their trade skills in an Australian workplace
- allow an approved assessor to carry out a workplace assessment of the participant's skills and job readiness (after 6 months or longer in the program).

To receive a successful workplace assessment outcome your employee (the JRP participant) will have to demonstrate the skills they have developed in the workplace. They will also have to show that they have the capacity to apply their skills and knowledge to all other tasks and duties involved in the occupation even if they are not doing them daily.

How to provide the completed EVR to TRA

This form must be completed and signed by you, as the employer and/or a nominated supervisor. The participant will upload the completed EVR in the TRA Online Portal.

If you have any questions about this form or the Job Ready Program, please visit www.tradesrecognitionaustralia.gov.au or email jrpenquiries@dewr.gov.au.

Section One: Participant Details

TRA Reference Number

Participant's Name

Date the participant started work for you

Is the participant still employed with you?

☐ Yes

☐ No

If NO, what date did they finish?

How many hours/week on average are they working/did they work?

Is the participant working as a **Metal Machinist (First Class)**?

☐ Yes

☐ No

If NO, what is their current occupation/job?

Is the participant a subcontractor?

☐ Yes

☐ No

If YES, do you supervise the participant (i.e., they work under your direction, and you directly assign them work)?

☐ Yes

☐ No

Section Two: Business Details

Registered Business Name

Address

Australian Business Number (ABN)

Address of website or web presence (e.g., Facebook)

Name of Employer

Contact number/s and email

Name of Supervisor

Contact number/s and email

Number of **Metal Machinist's (First Class)** employed

Do you have a (*mobile repair Service*)?

☐ Yes

☐ No

Do you provide pay slips?

☐ Yes

☐ No

If YES, how often?

☐ Weekly

☐ Fortnightly

☐ Monthly

If NO, do you direct deposit wages to the participant under sub-contracting arrangements?

☐ Yes

☐ No

If No, please provide reason

Section Three: Tasks Performed

Metal Machinist (First Class) (332234): Sets up and operates machine tools to shape and form metal stock and castings to fine tolerances, using drawings and specifications.

Please tell us about the work the JRP participant is doing, or will have the opportunity to do, in your workplace as a **Metal Machinist (First Class)**.

This section is divided into *trade* skills (the tasks and work they do; the tools and equipment they use) and *workplace* skills (how they communicate and work with others; how they get the work done).

It is important that the participant has the opportunity in your workplace to develop their skills and understanding in all these areas. If you tick no to any of the questions below, please provide reasons in the comments box.

Trade Skills

Tasks and Duties	Yes	No	Comments
Reads blueprints and technical specifications to understand the requirements for the metal component to be machined	<input type="checkbox"/>	<input type="checkbox"/>	
Prepares and configures machine tools for specific jobs and ensures correct fixtures, settings and tools are applied	<input type="checkbox"/>	<input type="checkbox"/>	
Forms metal stock and castings to fine tolerances using machining tools to press, cut, grind, plane, bore and drill metal	<input type="checkbox"/>	<input type="checkbox"/>	
Checks fabricated and assembled metal parts for accuracy, clearance and fit using precision measuring instruments	<input type="checkbox"/>	<input type="checkbox"/>	
Polishes, deburs and finishes the machined parts to ensure they meet the specified finish quality	<input type="checkbox"/>	<input type="checkbox"/>	
May program and operate computer numerical control machines to guide machine tools in producing parts	<input type="checkbox"/>	<input type="checkbox"/>
